

ERICO-BOOST™

ERICOID MYCORRHIZAL MIX

PRODUCT OF
USA

PURE. ALIVE. NATURAL.

Net Volume: 16 oz (0.47 L) 1 gal (3.8 L)

Net Weight: 1.0 lb 8.6 lbs

Not a food product or fertilizer substitute.

CAUTION: Store under cool dry conditions. Do not expose product to direct sunlight for extended periods of time, temperatures not exceeding 90°F (32.2°C).

ERICO-BOOST™

ERICOID MYCORRHIZAL MIX

INOCULATION WITH MULTI SPECIES, ERICOID MYCORRHIZAL FUNGI

- ✓ Improve ability to get nutrients and water uptake from the soil.
- ✓ Healthier and denser root systems for better plant growth and better yields.
- ✓ Help in reducing transplant shock.
- ✓ Helps plant survive harsh soil conditions.

An Auxiliary Soil and Plant Substance (ASPS)

Contains Non-Plant Food Ingredients
Soil Amending Ingredients Guaranteed Analysis

Contains the following species of Ericoid Mycorrhizae Fungi

ACTIVE INGREDIENTS:

Oidiiodendron griseum.....	120,000 Propagules/ml
Oidiiodendron chlamyosporium.....	150,000 Propagules/ml
Oidiiodendron periconioides.....	10,000 Propagules/ml
Hymenoscyphus ericae.....	10,000 Propagules/ml
Oidiiodendron maius.....	10,000 Propagules/ml

300,000 Propagules/ml.....	20%
TOTAL OTHER (INERT) INGREDIENTS:	80%

APPLICATION METHODS AND RATES:

This product contains Ericoid mycorrhizal fungi, that forms symbioses with ericaceous plants, Ericaceous plants include Rhododendrons, Azaleas, Blueberry, Cranberry, Camellias, Heather, Kalmia, Vaccinium.

- Shake well before use, sedimentation is normal with the product.
- For best results, apply water after application, minimum use of chemical/organic fertilizers and preferably maintain acidic pH soil range.
- Application rates vary based on soil conditions, plant species, and desired rate of growth.
- Minimum 1 application per crop season recommended.

TRANSPLANTS AND ESTABLISHED PLANTS:

- Apply 16 - 32 flozoz, per acre with adequate water. Apply to the hole prior to planting transplants, in direct contact with plant roots or around the base of established plants; close contact to roots.
- Apply 2-3 applications for new crops/plants for better established of roots and mycorrhizae and better fruit set.

PRECAUTION: Do not ingest or inhale. Avoid contact with the skin and eyes. Avoid breathing dust, vapor, or mist. Wash your hands and exposed areas thoroughly after handling this product.

FIRST AID: In all cases, call a poison control center or doctor for further treatment advice. IF SWALLOWED: Call a poison control center or doctor immediately. Sip a glass of water if able to swallow. Do not induce vomiting unless directed by a poison control center or doctor. Do not give anything to an unconscious person. IF ON SKIN: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance and give artificial respiration. IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.

CONDITIONS OF SALE, LIMITED WARRANTY AND LIABILITY

Before purchasing or using this product, read the entire Directions for Use and Conditions for Sale, as well as the Limited Warranty and Liability. If the terms are not acceptable, return product immediately, unopened, for a refund in the amount of purchase price. The Directions for Use of the product should be followed as per the instructions. It is not possible to eliminate all the risks associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may be the result of varying factors, including but not limited to the manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by the buyer and user, and the buyer and user agree to indemnify the manufacturer and seller for any claims arising from such factors. The seller warrants that the product conforms to the chemical description on the label. Except for this warranty, the product is furnished "AS IS" and neither the seller nor the manufacturer makes any other warranties, expressed or implied, with respect to the selection, purchase, or use of this product. The seller and manufacturer specifically disclaim any warranty of merchantability or fitness for a particular purpose. Buyer and user accept all risks associated with any and all uses of this product, including, without limitation, uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond) the seller's or manufacturer's control. To the extent permitted by law, neither the manufacturer nor the seller shall be liable for any incidental, consequential, or special damages resulting from the use or handling of this product. The exclusive remedy of the buyer or user and the exclusive liability of the manufacturer and seller for breach of warranty, contract, negligence, tort, strict liability, or otherwise resulting from the use or handling of this product shall be the return of the purchase price of this product or, at the discretion of the manufacturer or seller, the replacement of the product. These Conditions of Sale, Limitation of Warranty, and Liability shall be interpreted in accordance with the laws of the State of Texas, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement. LIMITED LICENSE is granted solely to the licensee to produce a single crop with no rights for unauthorized propagation or production by any means. Product or part of product multiplication, production, reformulation, reverse-engineering, resale, repackaging, unauthorized transfer, and exportation are strictly prohibited.
