BIO-RELEASE™

FOR COMMERCIAL AGRICULTURAL USE ONLY

PRODUCT DESCRIPTION: BIO-RELEASE is a multi-blend solution that is designed to help maximize the breakdown of crop residues while at the same time improving plant performance, nutrient availability, and soil quality.

CONDITIONS OF SALE, LIMITED WARRANTY AND LIABILITY:

Before using this product, read the entire Directions for Use and Conditions for Sale, Limited Warranty and Liability. If the terms are not acceptable, return the product immediately, unopened, for a refund in the amount of the purchase price. It is not possible to eliminate all the risks associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may be the result of varying factors, including but not limited to the manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by the buyer and user, including, without limitation, uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond) the seller's or manufacturer's control. To the extent permitted by law, neither the seller nor the manufacturer shall be liable for any incidental, consequential, or special damages resulting from the use or handling of this product. The exclusive remedy to the buyer or user and the exclusive liability of the manufacturer and seller for breach of warranty, contract, negligence, tort, strict liability, or otherwise resulting from the use or handling of this product shall be the return of the purchase price of this product or, at the discretion of the manufacturer or seller, the replacement of the product. The buyer and user agree to indemnify the manufacturer and seller for any claims arising from such factors. The manufacturer and seller warrants that the product conforms to the chemical description on the label. Except for this warranty, the product is furnished "AS IS," and neither the manufacturer nor the seller makes any other warranties, expressed or implied, with respect to the selection, purchase, or use of this product. The manufacturer and seller specifically disclaim any warranty of merchantability or fitness for a particular purpose. The Conditions of Sale, Limitation of Warranty, and Liability shall be interpreted in accordance with the laws of the State of Texas, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement. A LIMITED LICENSE is granted solely to the licensee to produce a single crop with no rights for unauthorized propagation or production by any means. Product or part of product multiplication, production, reformulation, reverse-engineering, resale, repackaging, unauthorized transfer, and exportation are strictly prohibited.
